Sir,

Re. Levelling staves.

I have the honour to state that in the Tools and Plant indent enclosed to this office letter No.345 dated 10-11-44 provision has been made for 6 levelling staves. But as per direction contained in your letter No.L-5515 dated 6th December 1944 that for the time being only half the indented quantity would be permitted to be purchased etc., I wish to state that the Secretary, Stores Purchase Committee was consulted in the matter and he has sent me a copy of the Local Indent No.7719 placed with the Government Electric Factory and the price of each article is found to be Rs.39-12-0.

I now propose to purchase three levelling staves against six provided in my consolidated indent and I request that sanction of Government may kindly be obtained for their purchase at a total
